**Note:** All colors shown are intended to show the approximate color of finish, choices, and ranges. Colors are achieved after 2 coats of a penetrating clear sealer. DO NOT use this chart as a final selection, for colors are affected by site conditions and installation procedure. SureCrete recommends making final selections from job specific samples made in the field.

Color Packs are used for white bag mixes only including: SureStamp, SureSpray, SureTex, SureBroom and the Xtreme Series bag mix. This color chart is not for Ready Mix or integral color use for concrete.

+ These colors are for pigmented sealer in range Special Color 1, and have a higher cost
